

Find five credible team-hours per week—or get your AUD 999 back.

AUD 999
TOTAL · FIXED ENTRY OFFER

For Perth and WA confidential professional firms. One recorded 45-minute diagnostic. Within 48 clock hours, receive 3–7 safe quick wins with the maths, cost, effort, risk, human-review gate and a four-day start plan.

WHAT YOU RECEIVE • 3–7 Safe Quick Wins • access-controlled client hub • version-matched PDF • effort/impact view and financial context • 30-minute review call SAFE QUICK WIN An existing-tool configuration, off-the-shelf tool, process fix or explicit no-AI boundary. Every recommendation includes cost, effort, risk, a human gate and four-day actions. PRIVACY BOUNDARY Raw emails, professional documents, client or matter names and personal information stay outside the hosted artifact. Only sanitised workflow facts and calculations enter.	THE EVIDENCE STANDARD frequency/week × handling minutes × conservative avoidable share ÷ 60 The workflow owner validates the inputs. Unvalidated estimates count as zero. Overlapping opportunities are counted once. THE GUARANTEE If the validated, non-overlapping total is below 5.00 team-hours/week, the AUD 999 is refunded automatically. The guarantee covers identified opportunity, not adoption or realised savings. BEST FIT Roughly 2–20 staff, repeated document-heavy work, a named workflow owner, decision-maker access and a clear professional-review boundary. Law and accounting are the first proof verticals.
